NEW AWARDS

Col. William A. Squires, the retiring president, started a new award the past year. He awarded the first two "President's Service Award".

The recipients were Mr. James M. Wallace of the new Norman Reasoner Chapter and Mr. James E. Monroe of the Ridge Chapter. Mr. Wallace was selected for being an ourstanding president of a new chapter; just organized when one chapter has folded, for putting on a show before the chapter is one year old, his many fine ideas for the good of the Society, and his personality and enthusiasm for the Society. Mr. Monroe was selected for publishing the Seed Pod when members fail to supply material for publication, attending the shows and doing the tabulation and conducting the judging for tri-colors and best bloom, and being the Executive Secretary for the American Hibiscus Society.

MEMBERSHIP SIGNS

Have you forgotten that we have aluminum membership signs that can be purchased? These signs are in red and green and say "Member American Hibiscus Society". There is also a picture of a red hibiscus to the left of these words.

The signs can be used as a front license plate on your car or can be mounted over the door of your tool shed.

The price is $3.00 each for single faced sign and $5.00 for the double faced sign. If you will drop a check in the mail to the Executive Secretary he will be glad to send you a sign. The profit stays in the Seed Pod account.
